Building history of Winners Circle Stables

Undertaking studies in automotive engineering, structural engineering and architectural drafting, John was employed as a Structural Designer by Australian Iron and Steel Pty Ltd, a then wholly owned subsidiary of BHP. In his role, John's responsibilities included design, structural steel drawings, and site supervision of:

- ✚ The original BHP House, corner of Bourke and Williams Streets, Melbourne, being the first steel clad building of its type in Australia – photo far right
- ✚ Oil rigs in Bass Strait
- ✚ K-Mart Supermarkets
- ✚ SPC Canneries
- ✚ Numerous large factories
- ✚ RMIT (Royal Melbourne Institute of Technology)

Since 1973, John operated his own businesses in property development and **design and construction** for the commercial and domestic building sectors.

His works included:

Photo right: original BHP house

- ✚ Architecturally designed residences
- ✚ Multi-unit developments
- ✚ Factories
- ✚ Offices
- ✚ Restaurants
- ✚ Renovations
- ✚ Restorations
- ✚ Transportable homes and buildings
- ✚ Helicopter hangars
- ✚ Golf club house and driving range

With a history of expertise as commercial and domestic builders, together with a strong horse background (stock work, track work, horse breaking, a professional horse agistment property and pre-training and racing horses), the business expanded and in the mid 1980's **Winners Circle Stables** was formed. Since its foundation, Winners Circle Stables has remained the **specialized leader in design and construction for the horse industry**, creating many impressive projects for luminaries in the horse racing and equestrian industry. **We do not out-source any of work – we undertake all our own design, fabrication and construction work with our long serving, dedicated, small team.**

Winners Circle Stables offers its clients total "turn-key" operations or provides a selection of any of the following services.

- ✚ Concept
- ✚ Design and plans
- ✚ Working drawings
- ✚ Permits
- ✚ Foundations
- ✚ Steel fabrication
- ✚ Precast concrete panels
- ✚ Transport
- ✚ Cranes
- ✚ Erection
- ✚ Construction
- ✚ Turn key
- ✚ Fit-out
- ✚ Refurbishing

We look forward to the opportunity of sharing in your vision to develop your property with featured buildings designed and constructed with the **"Winners Circle Stables"** signature of quality, style and safety.
